

Tuesday 24 May 2022

Dear Parents and Caregivers,

As you are aware, COVID-19 continues to impact our school community and has presented us with challenges in managing both student and staff attendance. I am pleased that together, we have been able to make the best of this situation and ensure your child's continued learning.

As we navigate through these challenges, we will need to do some things differently to ensure our focus remains on your child's daily learning program. For this reason, Semester One reporting will look different to what we shared with you at the start of the year. The Department of Education has advised that the report will include the A to E grades (or equivalent 5-point scale) for required learning areas. Information regarding your child's attitude, behaviour and effort will continue to be reported. Our school will provide a general comment that will reflect attitude, effort and progress for the semester given the ongoing disruptions.

Thank you for your continued support and encouragement as we work together to provide the best learning opportunities for our students. As we progress, I'll be sure to keep you updated with any new information.

Sincerely

Matt Pinkard

Principal

Warriapendi Primary School
