3. PERSONAL ITEMS LIST - ITEMS FOR PERSONAL USE IN THE EDUCATION PROGRAMME

The costs for these items vary from student to student. The requirements for each student are contained in the year level personal items lists and include stationery. Parents can utilise the personal items list ordering system through Campion or purchase from their store of choice. Payment is made to Campion.

4. OTHER FUNDRAISING COSTS

The P & C will conduct their own fundraising in 2024. Every parent will be given the option of participating in fundraising. In 2023 the P&C conducted fundraising through a disco, sausage sizzles, raffles, dress up days and lunch/recess stalls.

5. OPTIONAL COSTS FOR NON-EDUCATIONAL COMPONENTS

All schools, including ours, offer services that incur costs but are not directly related to education costs. These may be directly through the school or by way of the P&C or outside organisations. Examples of these costs include: school photos, vacation swimming, book fairs, free dress days and charitable fund raising activities.

Parents need to be aware that costs of this nature may arise and have not been included in this notification of Contribution and Charges for 2024.

Finally, the Contributions and Charges have been kept to a minimum but do acknowledge the importance of parents contributing to ensure the learning environment is enhanced for all children at Warriapendi Primary School.

Yours sincerely,
Matthew Pinkard
